10-Jan-13 22:31 | SimplyRonda

@SimplyRonda Will this be a very large scale work? Sounds interesting! #artsedchat

10-Jan-13 22:29 | SaDoane

@SaDoane totally forgot that! I have one for Christmas gift ideas for the family. Great call to use it for lesson ideas! #artsedchat

10-Jan-13 22:27 | SimplyRonda

10-Jan-13 22:25 | SaDoane

#artsedchat Am going to experiment with livestock markers for portrait or even abstract painting. Think overgrown oil pastels! Way awesome

10-Jan-13 22:18 | SimplyRonda

10-Jan-13 22:15 | SlackMartha

@chelsiemeyer @ColleenKR the iPad dot is great. Love the idea of connecting all the iPads for one image... Hmmm #ArtsEdChat

10-Jan-13 22:14 | iansands

10-Jan-13 22:13 | SaDoane

@SaDoane @SlackMartha I was thinking about the crushed can lesson too! Looks like it could really boost creativity! #artsedchat

10-Jan-13 22:13 | ArtLadyHBK

I like the pinterest links cause I keep hitting follow :) #ArtsEdChat

10-Jan-13 22:06 | iansands

@SaDoane If you go unflattering, everyone is SUPPOSED to look bad. Knocks down some confidence barriers. #ArtsEdChat

10-Jan-13 22:06 | eastartroom

AR Art Class photo. colored pant color wheel #artsedchat <http://t.co/lffBEPg1>

10-Jan-13 22:06 | SlackMartha

@SaDoane Self-portraits are hard with teenagers. Always critical of themselves--spend a lot of time positively reinforcing. #ArtsEdChat

10-Jan-13 22:05 | eastartroom

@iansands You do such amazing projects with your students! So outside the box and fun! Thanks for the inspiration! #artsedchat

10-Jan-13 22:04 | SaDoane

@slackmartha Yeah the time zone thing is always tricky for me since I'm CT and it is posted in ET time :)
#ArtsEdChat Glad to have you!

10-Jan-13 22:01 | chelsiemeyer

@eastartroom Used the grid to do a self-portrait this year & kids became so critical of themselves. Unflattering idea=very fun! #artsedchat

10-Jan-13 22:01 | SaDoane

@iansands Love your large scale artwork! Showed my students the Monallon <http://t.co/RQ1liv6L> and they loved checking it out! #ArtsEdChat

10-Jan-13 22:00 | chelsiemeyer

@iansands One of my kids did a 28 x 34" Skittle portrait. After reading your posts, I thought one would be enough :). It was. #ArtsEdChat

10-Jan-13 21:59 | eastartroom

@SaDoane Kids were pretty reluctant to make themselves look bad, so we went with portraits of others. Acrylic or watercolor. #ArtsEdChat

10-Jan-13 21:58 | eastartroom

RT @iansands: Our interactive chalk murals were fun to make but even more fun to see non art students taking photos with em #ArtsEdChat

10-Jan-13 21:58 | fuglefun

#ArtsEdChat Here's one of my favorites from last year: <http://t.co/MuAUu9Hs>

10-Jan-13 21:54 | eastartroom

Really fun to see what kids come up with, and creatively think about how to capture some of those unflattering poses. #ArtsEdChat

10-Jan-13 21:53 | eastartroom

Sorry I'm late! My favorite lesson has been our unflattering portraits--trying to show someone when they're not at their best. #ArtsEdChat
